MASTER OF MANAGEMENT

UNIVERSITY OF THE PHILIPPINES

Founded in 1908, the University of the Philippines is the country's premier institution of higher learning whose alumni include many leaders in industry, government, academe and other reputable international organizations. The UP System offers varied study programs leading in seven constituent universities across the nation.

As the flagship campus, UP Diliman has earned domestic and international recognition in the arts, sciences, and the professions.

Through its regional units at the Clark (Pampanga) and Subic (Olongapo) Freeport Zones, UP offers the Master of Management (MM) Program.

MASTER OF MANAGEMENT

Master of Management is a non-thesis graduate program with a trimestral schedule and a streamlined curriculum that can be completed in one and two-thirds years (20 months). The Program aims to:

- Build and/or enhance managerial traits and critical skills
- Equip its student with up-to-date management concepts
- Gear up its students for the demands of leadership in organizations (regardless of ownership, product, service or profit orientation)

The Program attracts applicants who are prepared to take on the challenges of developing quickly as managers. These applicants are enterprising and critical-thinking individuals who are willing to undergo the rigors of UP education.

MASTER OF MANAGEMENT COURSES

The 15 subjects needed to qualify for the degree are categorized as tool, core, and elective.

- Tool subjects equip the student with critical skills and knowledge to efficiently tackle the "mainstream" subjects.
- The core subjects get to the heart of managing organizations organizations.
- Electives provide further insights and skills that are built-up on those acquired from the core subjects as applied to specific industry, government or development sectors.

The tool courses are:

Economic Analysis
Management Science
Managerial Accounting

The core courses are:

Theory and Practice Management
Organizational Behavior
Management Control
Production Management
Marketing Management
Financial Management
Strategic Management

ACADEMIC YEAR

The school year is divided into three terms or trimesters:

1st Trimester	May to August
2nd Trimester	September to December
3rd Trimester	January to April

Each subject has 14-15 sessions held on Saturdays.

ADMISSION REQUIREMENTS

An applicant must:

- Pass the graduate admission test
- Fill out the application form¹
- Have a Bachelor's degree in any field²
- Have at least two-year work experience
- Have proficiency in basic topics³

The admission test⁴ indicates aptitude and "pre-existing" qualities needed for graduation management education. The test areas are quantitative processing, logic and reading comprehension.

Some level of proficiency in Algebra, Statistics, Accounting, and Economics is desirable for efficient student learning. Tests are given to assess deficiencies in these areas. To address such inadequacies, workshops are conducted before the start of classes.

ADMISSION PERIOD

For First Trimester entry (May)
September to December of every year
For Second Trimester entry (September)
January to April of every year

¹ To be submitted not later than three days before the interview date.
² With a general weighted average not below "Pass" or its equivalent.
³ Algebra, Statistics, Accounting, and Economics
⁴ Indicators such as GMAT are considered alternatives.
